

## POINT TWO SERVICE

We recommend you have your vest serviced annually, after six inflations, after a particularly heavy fall, or if you see any damage to the vest, **whichever comes first**. We recommend you send your vest (**please include the lanyard**) with tracking and without a canister unless otherwise advised.

We aim to turn your vest around within four business days, so that you are not without it for very long.

Our extensive vest service includes the following:

- ✓ Replace the airbag with a brand new one, regardless of condition.
- ✓ Trigger tested and all components inspected and replaced, if necessary.
- ✓ Shell professionally cleaned.
- ✓ CO<sup>2</sup> canisters offered at 50% off when purchased with service.

We also offer a color swap and service for vests (other than the P2RS). See below for color options and pricing information.

Complete the form below and return it with your Point Two Air Vest to:

Point Two Air Vests  
11420 Fortune Circle, Suite 12
